COMPANY PROFILE

Five generations. The same land.

Since 1890, the Rabbia family has been making cheese in Ruffia, passing its knowledge through five generations. Between the Langhe hills and Mount Monviso, our connection with the region is expressed every day through milk sourced in the Cuneo area and a range of soft, semi-hard, hard and blue cheeses.

Recipes and experience pass from one generation to the next as the dairy renews its equipment. Our range brings together Piedmont's great protected cheeses and our own specialities, combining tradition and modernity while retaining the family's character.

KNOWLEDGE IS PASSED ON. OUR DAIRY EVOLVES.
